PROFESSIONAL SUMMARY

Motivated and detail-oriented Full-Stack Web Developer with extensive experience in designing, developing, and maintaining responsive web applications. Proficient in modern frontend technologies including **HTML5, CSS3, Bootstrap, JavaScript**, and **React.js**. Skilled in backend development with **Python, Django, MySQL, SQLite** along with **REST API integration**, database management, debugging, and performance optimization. Demonstrates strong problem-solving skills, adheres to clean coding practices, and maintains a passion for continuous learning and delivering high-quality digital solutions.

SKILLS

- Frontend** — HTML5 | CSS3 | JavaScript (ES6+)
- Frameworks & Libraries** — React.js | Bootstrap 5 | Tailwind CSS | Material UI | Django
- Backend** — Python | Authentication (JWT)
- Databases** — MySQL | SQLite
- Programming** — Object-Oriented Programming (OOP)
- Tools & Version Control** — VS Code | Git | GitHub | Postman | REST API
- Core Concepts** — Responsive Web Design | Cross-Browser Compatibility | CRUD Operations | API Integration | Performance Optimization
- Soft Skills** — Problem Solving | Logic Building | Team Collaboration | Communication | Continuous Learning Mindset

WORK EXPERIENCES

Full-StackWebDeveloper Intern | Internship

2022 - 2023

BrainKlick Technologies

Ahmedabad

- Developed responsive, mobile-friendly, and cross-browser compatible web applications using HTML5, CSS3, Bootstrap, and JavaScript.
- Translated UI/UX designs into pixel-perfect, interactive, and user-centric web interfaces.
- Integrated PHP and MySQL to develop dynamic web features, manage databases, and perform CRUD operations.
- Optimized website performance, page load speed, and overall user experience through efficient coding practices.
- Conducted testing, debugging, and issue resolution to ensure application reliability and functionality.
- Collaborated with cross-functional teams to develop, maintain, and enhance client-based web applications.

Contributed to project documentation and maintained code quality using industry best practices.

Technologies / Skills Used:HTML5, CSS3, Bootstrap, JavaScript, PHP, MySQL

EDUCATIONS

Bachelor of Computer Applications (BCA)

Asia Pacific BCA College | Ahmedabad

2020 - 2023

CGPA : 6.78

Certifications

Full-Stack Web Development (Training Program)

Creative Design & Multimedia Institute (CDMI)

2025 - Present

Ahmedabad

- Developed responsive web applications using HTML5, CSS3, JavaScript, React.js, Bootstrap, Tailwind CSS, and Material UI.
- Built full-stack applications with Python, Django, MySQL, and SQLite, integrating frontend and backend functionalities.
- Implemented REST APIs, CRUD operations, JWT Authentication, and database-driven features.
- Applied Object-Oriented Programming (OOP) concepts and software development best practices.
- Performed API testing, debugging, and performance optimization using Postman and modern development tools.
- Collaborated on real-world projects using Git and GitHub while following SDLC methodologies.

Technologies: HTML5, CSS3, JavaScript, React.js, Bootstrap, Tailwind CSS, Material UI, Python, Django, MySQL, SQLite, REST APIs, JWT, Postman, Git, GitHub, C, C++, Object-Oriented Programming (OOP).
